## Webinar for African Parliamentarians on the Role of Parliamentarians for ICPD25 Commitments

On 20 September, the Asian Population and Development Association (APDA) organized a webinar on the Role of Parliamentarians in Realizing the ICPD25 Commitments with focus on ending child marriage. More than 100 participants attended the event, during which concerns were shared that poverty was a clear driver of child marriage and that progress against it was at risk due to COVID-19.

## APDA together with TPAPD engaged in national-level activities on population issues

In August and September, the Asian Population and Development Association (APDA) and Tanzania Parliamentary Association on Population and Development (TPAPD) conducted activities to support parliamentarians tackling population issues. These activities are expected to contribute to the revision and formulation of population-related laws and policies.

### JPPF

Established in 1974, JPPF has the longest history in the world as a supra-partisan parliamentary group on population and development. JPPF, in concert with APDA, has created a network of parliamentarians on population and development, through which a diverse range of knowledge and experience has been shared to accomplish concrete results.
